## Projects

**Techbytes**

**JUN'23**

- Tech Involved: **HTML, CSS, ReactJS, API**
- The website is created to get technological updates, implementing functionalities such as:
  - Searching, Pagination, Deletion and Data fetching via API

**Netflix Clone**

**FEB'23**

- Tech Involved: **HTML, CSS, JavaScript, ReactJS, Firebase, API**
- This is a Clone of Netflix, the website built using React-JS as a Front-end & Firebase as a Back-end.
- Built a unique version of Netflix with a tailored interface that showcased my skills in React-JS; optimized user experience and increased engagement by 25%.
- It contains the home page, sign-in page, sign-up page, and page with a list of movies that are being fetched using TMDB API.

**To-do List**

**SEP'22**

- Tech Involved: **HTML, CSS, JavaScript, ReactJS**
- Various Tasks can be added to the list and on adding empty task alert message will be displayed.
- Tasks can be deleted by a button, also no task is being deleted on reload as they will be stored in your local storage.
- There is an option of temporarily checking your tasks & if there is no task to display, appropriate message is being displayed.

**Random Quote Generator**

**DEC'21**

- Tech Involved: **HTML, CSS, JavaScript**
- Created a website that displays random quotes every time the 'NEW QUOTE' button is clicked.
- Designed the display box using *HTML* and *CSS*.
- Implemented Speech Synthesis Utterance, Copying the Quote Text and Tweeting the Quote Text using *JavaScript*.

## Experience

**Frontend Developer [INTERNSHIP]**

**JAN'22 – MAR'22**

*Basil Infotech*

- Collaborated with designers to create clean interfaces and simple, intuitive, interactions and experiences.
- Develop project concepts and maintain optimal workflow.
- Complete development tasks for front end.
- [\[ CERTIFICATE \]](#)

## Achievement

- Achieved Rank 1 out of 2058 students at university level in under graduation till Semester 5.

## Extracurricular

**Anchoring Lives Foundation**

**DEC'22 – MAR'23**

*Intern*

- Worked as a content creation intern.
- [\[ CERTIFICATE \]](#)

**Hacktoberfest**

**OCT'22**

*Open-Source Contribution*

- Contributed primarily to the frontend-based repositories.
